WM. E. PELL, PROPRIETOR.

COLLEGES AND SCHOOLS.

Louisburg Female College,

FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS: Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to T. M. JONES,
June 15-tf President.

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its flexibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of intruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College, in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

NATIONAL DEMOCRATIC TICKET:

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

THE WAR MEASURE OF THE RADICALS.

We publish, to-day, the odious bill passed on Thursday, by the House. We have already and repeatedly expressed our views of the bill, and therefore give it to our readers that they may judge for themselves.

Were we influenced by party interests and success, we should urge the Senate, strongly, to adopt the bill. It is the opinion of some of the best judges of public sentiment, that the passage of this bill would increase the vote of Seymour and Blair in the State, from 20,000 to 25,000 votes. We do not doubt it. *But we are for peace.*—We prefer PEACE to the *interests of party.* We deprecate bloodshed, for any cause, if it is possible to avoid it. This bill is a promoter of riot, bitter feeling and bloodshed. It invites blood and makes the road to it easy and certain.

We have shown that the force must be chiefly, if not entirely, a *negro force.*—"Gov." Holden warmly urges and advocates this bill, and his previous appointments of negro magistrates, &c., who are unable to read or write, warrants the conclusion that he would prefer negroes to whites in his "special militia." He is well aware of the feeling which his negro appointments have produced. That feeling will be intensified a thousand fold by this bill; particularly must it be so, if the force is chiefly composed of negroes, and *if, especially, every negro in the special militia is authorized to arrest white or black men, for a breach of the peace!* There is *death* in that pot. Our white people will [illegible] and we warn the Senate of the consequences of such a measure.

The people of Warren, Halifax, Granville, Edgecombe and Craven will notice the votes of the colored delegates from those Counties. They will understand how to appreciate them. Price, of New Hanover, Sykes, of Pasquotank, and Leary and Sweat, of Cumberland, voted against the measure. If they did so, because of their opposition to the incendiary character of the bill, they are entitled to the thanks of the people. It is however, rumored, but we can hardly believe it, that they opposed the bill, simply because they were opposed to any recognition of color in it, by which blacks and whites were not compelled to be in the same "sections." Such an objection is neither creditable to their heads or hearts. We shall reproduce the entire vote, if it finally passes, and call special attention to those who vote in favor of WAR.

THE RADICAL ALARM.

For three years, the presence of a mere handful of Federal troops, scattered over the Southern States, has been found amply sufficient to preserve peace and the public order. This fact refutes a thousand allegations of the Radicals, as to the disloyalty of the Southern people. It is true that, with great effort on the part of the Radicals, rows were gotten up at New Orleans and Memphis, out of which they made large capital in the elections, two years ago, but Gen. Grant, and the military, generally, except a few understrappers, who preferred their positions in the South to others, have fully endorsed the peaceable disposition of the Southern people.

Notwithstanding this, a constant clamor has been kept up by the Southern "loyalists" and carpet-baggers, as to the purposes of the Southern people, and statements utterly without foundation, detailing horrid murders and riots perpetrated by "rebels," have filled the ears of the President, Gen. Grant and the Secretary of War, who have ordered investigations into the facts and found them, in *every* instance, exaggerated and for the most part false.

These "loyalists" and "carpet-baggers," many of whom are but demons in human shape, have all along declared, "only let us have 'loyal' governments formed, and the good time of peace and quiet will come—then we shall have law and order!" Well these governments *have* been formed to their liking. In eight States, to-day, including Tennessee, we have "treely loil" governments, according to Radical ideas, but they have scarcely gotten on their legs, before we have a worse clamor and more alarm than have been heard for three years. The Conservative people of the South were never more quiet, never more anxious for peace, and never more determined to restore and sustain the Constitution and the Union.—But from Florida, Louisiana and Tennessee, the calls come loudly from the "loyal" authorities for troops or armed militia to save the new governments from overthrow and to preserve order! The Ku Klux Klan, which we suppose and believe to be a mere myth, is exciting much alarm. Until the Radicals get over their fright, we shall have no peace. They have a chance, now, for a while, to riot upon the public plunder, and waste all that falls within their reach, and we may continue to expect this clamor, until the voice of the people drives them from their positions.

In the meantime, let the Conservatives preserve their temper and avoid, as far as possible, all collision. Let them be firm as the nether mill stone, but let them give no just cause for offence or riot!

THE CODE COMMISSION.

This Commission seems to have been industriously, (at least,) at work. It is composed of Judge Rodman, Mr. V. C. Barringer, and "*Judge*" Tourgee. The number of bills already presented by this Board is very large, and they seem to be mere copies of Legislative acts at the North, without regard to fitness and adaptation. The General Assembly has come to regard this Board as its lever power, which does the thinking for it, and seems inclined to adopt the bills prepared by the Board, without proper reflection. Indeed, to a great extent, this is the character of *all* the important legislation. What is determined in caucus is rushed through under the power of the gag law, i. e. the previous question,—a thing heretofore unknown in North Carolina legislation.

Some of the bills are either incorrectly printed or drawn up, as we discover important omissions, which, in the hurry of legislation,—in fact the neglect to read the bills,—will make serious jargon of the laws.

The changes proposed in our Court practice, and in our entire municipal government, are not only fundamental and radical, but must be so provoking to the people, vexatious and expensive, that we have no idea they will long bear them. Such radical changes in the customs, habits of thought and practice of a people, can only be effected in a generation. That native citizens of any sense, whatever, should have submitted in the Convention to such changes as these, simply upon the urgent recommendation of a set of carpet baggers, without either intelligence or *prestige* of any kind to commend them, except that these plans were doing well in such States as New York and Ohio, is most remarkable. There never was anything like it before. Tourgee, in the Convention, was an over-match for Mr. Rodman, and every lawyer or native citizen in it. We have not heard of a single native who *approved* them, who had considered, for a moment, the enormous, expensive and vexatious changes proposed, and yet, Tourgee, by a little stubborn persistence in his course, brought over a large majority of the Convention to his wishes.

Every lawyer in the State, old and young, must forget a good deal that he has learned, and plunge at once into the study of the Code of Procedure in the practice of the Courts; and the people, in order to understand the simplest matters of process in the Courts, must go to the lawyers for information. These things will prove so vexatious to our plain people, that the authors and supporters of them may [illegible] and bitter execration, as well as utter contempt, from the people. Moreover, these changes cost enormously, and will prove a serious drawback. Within five years from to-day, the people will call a Convention in North Carolina to wipe out this entire system of changes, which have been made so offensive by the character of the men who have succeeded in imposing them upon us, and which will be vastly more so by the experience of that period, and will return to our old systems and usages, with such modifications as good sense may dictate. No man of sense, who has lived in North Carolina for five years, can suppose, for a moment, that such a system, as has been introduced by these carpet baggers, is at all adapted to this State or will be borne long by our people.

We have examined several of the bills prepared by the Commission, and find them lacking in that simplicity and perspicuity which are so necessary. The bill providing for registration, &c., should be called a bill to prevent the good citizens of North Carolina from registering and voting. If any law should be simple and made easy of accommodation to the general sense and wishes of the people, it should be this, and yet the Code Commission have prepared a bill of twenty-four pages. It provides for all registration to be done in *one day*, requires registration every two years, adopts an exceedingly expensive system of records, &c., and makes no provision, whatever, for inspectors and judges of opposing parties to detect frauds. In our sparsely settled country, registration is wholly unnecessary. The best protection to the polls is to require all voters, at all ages, to pay not what has heretofore been called a poll tax, but a poll tax in fact, *a tax for the privilege of voting,*—the poll keepers being required to demand the receipt of the tax collector that, it has been paid by the voter, before voting.—This simple method in our State, with such instructions to the tax assessors and collectors as are necessary, would do far better than the complicated and expensive mode prepared or copied from the New York system by the Commissioners. The books necessary to prepare for registration will cost at least $100 for each county.

Serious objections will be found to almost every bill we have seen.

LEGISLATURES NOT TO CHOOSE ELECTORS. It is now very evident that the programme of the truly "loil" party in the South has been again changed, and the idea of allowing the Legislatures of the States to elect Presidential electors has been abandoned. Mr. Dewesse, of North Carolina, who wanted the reconstructed governments to be propped up with Federal bayonets, declared most emphatically that the people of his State would never assent to such a political fraud. This and similar declarations from Georgia members, together with the late action of the Georgia Legislature in electing a Democratic Senator, have given a quietus to the project, and with a determination to try the ballot box comes a call upon the President for troops.—*Wash. Letter in Balt. Gazette.*

ARE YOU for war, for military rule, for an Imperial central government and for a Dictator or Emperor? Vote for Grant and Colfax.

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

FRIDAY, Aug 7, 1868.

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Mr. Hudson, of the M. E. Church.

INTRODUCTION OF BILLS.

Mr. Forkner introduced the following bills from the Code Commission, viz:

Bill regulating registration and for other purposes;

Bill concerning the Registers of Deeds;

Bill concerning the Courts of the Justices of the Peace.

By Mr. Colgrove: A bill appropriating $8,000, to defray the expenses of the Institution for the Deaf, Dumb and Blind, up to a specified date.

By Mr. Love: A bill fixing the salaries of public officers as follows, to wit:

Governor $4,000; Judges of Supreme Court $1,500; Secretary of State, fees and $1,250; Auditor $1,400; Superintendent of Public Works $1,000; Superintendent of Public Instruction $1,500; Private Secretary to the Governor (besides fees) $300; Secretary of State's Clerk $893; Treasurer's Chief Clerk $1,500; Treasurer's Assistant Clerk $750; Judges of the Superior Court $1,500, &c.

Mr. Moore, of Carteret, moved to refer the bill to the joint committee on Salaries and Fees.

Mr. Love opposed the reference and hoped Senators would not attempt to evade the question in this manner. It was very plain to any one that this was the object.—He hoped the reference would not be made.

Mr. Robbins called upon the Senate to face the music. We have to determine upon these salaries, and he was in favor of doing it at once.

Messrs. Welker, Blythe and Davis urged the reference, and it was made by the following vote, viz:

YEAS.—Messrs. Barrow, Beasley, Bellamy, Brogden, Burns, Beeman, Blythe, Colgrove, Cook, Davis, Eaves, Etheridge, Eppes, (negro,) Forkner, Galloway, (negro.) Hayes, Harrington, Hall, Hyman, (negro,) Jones, of Wake, Legg, Lindsay, Lassiter, Long, Martindale, Moore, of Carteret, Respass, Richardson, Smith, Shoffner, Sweet, Welker, White, and Wynne.

NAYS.—Messrs. Love, Melchor, McLaughlin, Osborne, Purdie, Robbins, Winstead, and Wilson.

By Mr. Jones: A bill to incorporate the Ridgeway Land and Navigation Company. Referred to the Committee on Corporations.

By Mr. Legg, the following bills, viz:

Bill for the preservation of Court Houses and for other purposes;

Bill to amend Chapter 85, Section 5, Revised Code;

Bill to establish rates of Bar and River Pilotage for the Cape Fear River.

A message was received from the House, transmitting the following bills, viz:

Bill providing for the payment of the burial expenses of Senator Hall, and for other purposes. [The original bill allows his widow *per diem* and mileage up to Aug. 1st. The House proposed an amendment, by extending the time to Aug. 17th; which was concurred in.]

Bill to organize a Special Militia for the State.

Mr. Sweet moved to suspend the rules, in order to put the bill on its several readings.

Mr. Robbins raised a point of order. The Constitution provides that no bill appropriating monies shall be read more than once on the same day.

Mr. Sweet held that the bill made no direct appropriation of money.

Mr. Respass asked how the gentleman proposed to arm and equip said Militia, without an appropriation; and Mr. Lindsay desired to know where the $100 per month, provided for in the bill for the Adjutant General, would come from, if it was not an appropriation out of the State Treasury?

Mr. Winstead moved that the bill be made a special order for to-morrow, on its second reading, and then be printed and made a special order for Tuesday next, at 11 o'clock.

Mr. Lassiter moved the further consideration of the bill be postponed until Tuesday next. He thought that a matter of such importance should be considered well. It affected the rights of the people peculiarly, and he desired time to ponder the question well.

Mr. Osborne said that some Senators had an idea that the Conservative element of the Senate were disposed to be factious about this matter and delay a vote on the measure; if so, they were mistaken. All that he or his friends desired was an opportunity to present their views in opposition to a measure, which they believed would operate injuriously to the welfare and peace of the State. He hoped the motion of the Senator from Granville would prevail.

Mr. Lassiter's motion was voted down by a vote of 25 to 16.

On motion of Mr. Robbins, the bill was made the special order for to morrow at 10 o'clock.

SPECIAL ORDER, *viz:*

Bill for the relief of the Sheriffs and people, was discussed at some length, and finally indefinitely postponed.

On motion of Mr. Osborne, the bill amending an act to establish Criminal Courts for the Cities of Wilmington and Newbern was taken up.

Mr. Osborne offered a substitute, continuing these Courts and providing for the election of the Judges by the people.

Mr. Robbins offered a substitute for Mr. Osborne's, providing for additional terms of the Superior Courts to be held in those counties—withdrawing the substitute he offered on yesterday.

Mr. Robbins stated that, in referring to the Constitution, he found that the original bill and former substitute were unconstitutional. This General Assembly has no authority to establish these Courts, and the substitute which he offered would accomplish the same purpose and without additional expense to the State, except $200 per year, extra, to the Judges who held the Courts, which, if necessary, can be defrayed by the counties in which the Courts are held.

Mr. Welker said it was seldom he agreed with the Senator from Rowan, but he was in favor of his substitute and should vote for it for several reasons: 1st, the salaries of $1,500, or more, for Judges would be saved to the State, and 2nd., it provides for the election of said judges by the people interested.

Mr. Sweet opposed the substitute of Mr. Robbins, but would vote for the substitute offered by Mr. Osborne.

The vote was taken. Mr. Robbins' substitute was rejected, and the substitute offered by Mr. Osborne was adopted,—Messrs. Robbins and Welker voting in the negative.

On motion of Mr. Forkner, the bill in relation to the settlement of the estates of deceased persons was taken up.

Pending its consideration, the Senate adjourned.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

FRIDAY, Aug. 7, 1868.

House called to order at the usual time.

Prayer by the Rev. Mr. Hudson, of the city.

Justice, of Rutherford, called up the message from the Governor, transmitting an invitation from the President of the N. C. Rail Road to the members of the Legislature, to take an excursion to Morehead City.

Mr. Sinclair opposed the acceptance of the invitation and suggested that the thanks of the body be tendered the President of said Rail Road.

Justice moved to appoint a Committee to draft a resolution of thanks.

The motion was adopted, the invitation declined, and the Chair appointed Messrs. Justice, Estes and Sinclair the Committee.

Candler called up the Senate resolution, rescinding the joint resolution to adjourn on the 10th., and fixing the 17th. as the day for adjournment.

On motion of Candler, the resolution was concurred in.

Leary, (negro,) called up the Senate resolution paying Pages $3 per day, and limiting their number to 2 in each House, and moved the concurrence of the House. Concurred in.

Justice, of Rutherford, called up his bill postponing the collection of taxes.

Estes (c. b.) suggested that the Committee, to whom it was referred, had not reported upon it, but the report was now ready.

Mr. Hodnett asked if the Committe on Finance had reported upon his bill to repeal the ordinance of the Convention to pay the interest of the public debt.

Estes, from that Committee, submitted a report, recommending its indefinite postponement. The report was adopted.

Harris, of Wake, (negro,) offered a report recommending that the bill to prevent the distillation of grain be postponed until December next.

By the same: A report in favor of Willis S. Grandy.

Harris, (negro,) moved a suspension of the rules to adopt the resolution. The rules were suspended and the resolution was adopted.

Laflin, (c. b.) from the Committee on Internal Improvements, to whom was referred the bill to divide the counties into townships, submitted a report recommending its postponement until Jan. 1869. Report was adopted.

Mr. Bowman called up the resolution to provide for the burial expenses of the late L. D. Hall, and asked the suspension of the rules in order to adopt it. The rules were suspended.

Mr. Sinclair said that Mr. Hall had been a good Republican and had done much for the party, and, *therefore*, the House should give his family as much as possible. He moved that the *per diem* be extended to the 17th. of August, instead of the 1st.

Harris, of Wake, (negro,) opposed it and asked what had been the custom heretofore.

Ashworth (unwashed,) replied that it had been the custom to give *per diem* for the whole session. (This is not so.)

Somebody said, very properly, that he thought it was customary to give *per diem* only up to day of death.

Mr. Sinclair's motion was pressed and carried.

Downing called up the bill to postpone the collection of taxes, and moved to concur in the report of the Committee, postponing it indefinitely. The motion to concur in the report was carried.

By Mr. Hinnant: A bill to provide for setting apart to debtors the Homestead and personal property exemption as guaranteed by Art. 10 of the new Constitution.

Laflin (c. b.) moved to refer it to the Committee on the Judiciary. Referred.

Message from the Senate, asking the concurrence of the House in a resolution recommitting the bill on Salaries and Fees; and, also, in a bill in relation to Sheriffs, attaching a penalty to a violation of the Stay Law; also a bill in relation to Superior Court Clerks with amendments.

Laflin, (c. b.) moved to concur in the first message. Carried.

Stilley, from the Committee on the Judiciary, reported favorably on the bill for registration and recommended its passage.

By Estes: A resolution in regard to the currency of National Banks. Lies over.

By the same: A resolution concerning the Port of Wilmington. Lies over.

A message was received from the Senate, concurring in the bill regarding the late L. D. Hall, and also notifying the House of the passage of the bill giving Superior Court Clerks power to examine *femes covert.*

Mr. Durham moved that the Enrolling Clerk be requested to proceed as rapidly as possible with the enrollment of bills. Carried.

By Sweat, (negro,): A bill to amend an act to improve the law of evidence.

Stilley moved to suspend the rules and consider the bill submitted by the Code Commissioners, and reported favorably on by the Committee, to regulate and provide for the registration of voters, and the holding of elections in this State.

After some little debate and amendment the bill passed its 2nd. reading by a vote of yeas 81, nays 2.

By Laflin: A bill to amend the charter of the Chatham Railroad Company. Referred.

Mr. Durham moved to direct the Secretary of the House to request the Secretary of State to furnish members as rapidly as possible with printed copies of the laws enacted by this Assembly. Carried.

On motion, the House then adjourned.

Mr. Speaker, I am alarmed at the condition of the country. *It is proposed to send arms to North Carolina, that the people may use them against each other. Great God! we cannot afford to fight each other.* KEEP AWAY YOUR ARMS! DO NOTHING TO IRRITATE OUR PEOPLE, BUT DO EVERYTHING IN YOUR POWER TO ASSUAGE AND HEAL THE EXCITEMENT THERE. We want no arms. I WARN THE HOUSE THAT IF ARMS ARE SENT THERE WE WILL BE RUINED; we cannot live there. If we need anything in the way of arms, in God's name send an army of the United States there, *but do not arm neighbor against neighbor. There never was a more mischievous measure than this proposition to arm one class of our people against another.*—*Mr. Boyden's speech in the House of Representatives.*

The negroes of Mobile, Ala., took possession of the street cars a few days ago. The whole police force had to be turned out to eject them, and the various lines of railway in the streets guarded. Great excitement prevailed in the city, and at one time it was thought that a serious riot would ensue. It is said that the disturbance was caused by a dispatch received from two of the Mobile negro representatives in the Alabama "Legislature," to the effect that the common carrier bill had been defeated, and advising the negroes to take the law in their own hands.

At the meeting the other night in Montgomery, Ala., Humphryes remarked that "we are now settling down from a stage of turmoil." A darkey in the crowd says to a bystander: "Who dat he say setting down on a keg of sperm oil?" Of course he understood all the speech.—*Mobile Tribune.*

The November election will be a flay-Grant proceeding.—*World.*

AN ACT PROVIDING FOR THE ORGANIZATION OF A SPECIAL MILITIA.

SECTION 1. *The General Assembly of North Carolina do enact,* That the Governor is hereby authorized and directed to appoint, organize and equip, a sufficient force of Militia in the various Counties of the State, to preserve the peace and enforce the laws.

SEC. 2. That the number of said Militia shall not exceed fifty to each member of the House of Representatives, unless the Governor shall deem said number insufficient for the preservation of the peace or the enforcement of the laws. But when the organization does not exceed fifty men, there shall be no Lieutenant.

SEC. 4. The Governor shall appoint an Adjutant General, who shall receive a salary of one hundred dollars per month, and the necessary travelling expenses while organizing and supervising the Militia.

SEC. 5. No man shall be an officer or private in this organization unless he be an elector of the State, and first take and subscribe the Constitutional oath of office.

SEC. 7 Every officer of this organization shall have power to call out the whole or any of the force under his command, to preserve the peace and enforce the law, at the written request of any Judge, Justice of the Peace, Sheriff or his Deputy, County or Town Constable, or any County Commissioner, and such request shall state the reason of the call, and a copy of the same shall be at once forwarded to the Adjutant General of the State.

SEC. 8. Each officer or member of the Special Militia shall have power, and it shall be his duty, at any time, to arrest for breach of the peace, and to hold the offender until he can be brought before some Justice of the Peace or other judicial officer, to be dealt with according to law: *Provided,* That no man shall be detained more than thirty-six hours except by judicial order.

SEC. 9. It shall be the duty of the Adjutant General to prepare and forward to each man appointed a member of this organization a printed copy of the rules prescribed to govern his conduct, and any wilful violation shall be a misdemeanor punishable with fine not to exceed one hundred dollars.

SEC. 10. The said militia shall be under the command of the Governor, and be subject to his orders, and may be sent to any portion of the State by him. N. C. RAIL ROAD.

EDITORS DAILY SENTINEL.—What a pity it is that the State owns a dollar of Rail Road stock, and how much better off would she be to give away all that she does own! For as long as the State continues to control two thirds of the stock of any Rail Road, it serves as a political machine to drive the wheels of party, and not the interests of stock-holders. Consequently the roads can never be managed successfully, and, therefore, all the individual stock is valueless to the owner. What we need in the South is practical, sensible Rail Road men to have charge of Rail Roads—men who have acquired a knowledge of the business from practice. It matters not if they commenced as brakesmen; and this thing of putting a man in office because he is a lawyer, or General, or whiskey politician of supposed influence among "poor whites" and blacks, saying nothing about irresponsibility, will never do. At this time, when money is scarce and none to be had—at a time when the fare ought to be reduced on all Southern roads so as to increase the travel, and make the stock better, (for the natural consequence of reducing the fare makes every man, woman and child travel more, and serves to swell the receipts)—the North Carolina Road, as might be expected from her *able* managers, has taken a different view of the matter, and increased the toll on yesterday to six cents per mile.

They had to do *something* to make a change, and they guessed wrong. Now if they will reduce the fare just one half of what it was, they will see, in two months, that the travel will increase ten fold and the earnings of the road will tell a tale that will learn them something about Rail Roading. Does not every man know that if the fare was one half, each man, who is in the habit of travelling, would go to and fro ten times as often? Look at the Hudson River Rail Road, N. Y., and all other Rail Roads, North, where the fare has been decreased, instead of increased, and whenever the fare has been put down, the income is greater.

Perhaps it would pay Mr. Smith to go North and stay a few years to get some insight into the 'business—and then try the machine!

THE WAKE COUNTY CONVENTION.

A Convention of Delegates, representing the various districts of Wake County, for the purpose of appointing delegates to the approaching State Convention, &c., will be held in this City, to-day, (Saturday.)

The delegates are requested to meet at the Court House at 11 o'clock, A. M.

We learn that Dr. Pritchard, pastor of the Baptist Church, will repeat, by request, on Sunday night, a sermon on Infidelity, preached in this city four or five years ago.

WE ARE requested to state that the Committee on Claims hold their sessions daily, except Sunday, in the Senate Chamber, at 4 o'clock P. M., and that they desire all persons having claims against the Insane Asylum to appear before the Committee and present them.

THE PLANTERS' Hotel, as will be seen by reference to an advertisement in to-day's issue, has changed hands,—having been leased by Messrs. J. R. Debnam & Co., late of Louisburg. Travellers will find the Planters' a comfortable place at which to stop, and charges not extravagantly high.

LITERARY PASTIME.—We are indebted to Messrs. Branson & Jones, Booksellers, of this City, for the first number of the new Literary Periodical, bearing the above name, which has been looked for with so much interest. It is published by A. T. Crutchfield, Proprietor, 915 Main Street, Richmond, and embraces on its Editorial staff the finest writers of the South, in all the departments of Literature,—among the number Mrs. Mary Bayard Clarke, of this City. The number before us is beautiful in typography, and is filled with a rich freightage of the choicest intellectual flowers and fruits. It contains an admirable engraving of Gov. Vance, accompanied by a capital biographical sketch. The annual price of this paper is only $3, and we cannot too warmly commend it to the patronage of our people.

THE APPROACHING CONVENTION.

Ample arrangements are being made for a grand demonstration on occasion of the coming Convention. We hope to be able, by Tuesday morning, to announce the programme. Meanwhile, we tell our friends, in every section of the State, who may attend, that they may anticipate a glorious union of patriotic spirits, and a good time, generally. Come up, Democrats and Conservatives, by the hundreds, with your banners, badges and music!

MR. MOORE'S OPINION.—We have been favored with a copy of Mr. Moore's powerful and convincing argument against the constitutionality of the Police-Militia-War bill adopted by the House, on Thursday. We shall take pleasure in laying it before the public, on Monday.

HON. O. H. DOCKERY.—We are requested to announce that the Hon. O. H. Dockery will address the people of Robeson, at Lumberton, on the Monday of Superior Court for that County, as a candidate for re election to Congress.

HOLLY SPRINGS AND SWIFT CREEK.—A large and spirited Democratic and Conservative meeting was held at Holly Springs, on Thursday, when a Seymour and Blair Club was formed, and able and instructive speeches made by Capt. J. Q. DeCarteret and Kendrick Johnson, Esq.,—the latter a gentleman who has heretofore co-operated with the Radical party. Delegates for Holly Springs were appointed to the County Convention, which meets in this City to-day.—Those of the citizens of Swift Creek District, who were present, conferred together and appointed the following delegates for that District, viz:

J. M. Jones, M. G. Utley, Hinton Utley, J. Monroe Jones, James Sauls, George Jones, J. P. Langston, Wellington Bradshaw, Geo. Sauls, W. J. Seagraves, Jas. Brown, Burk Brown, Elias Langston, F. G. Edwards, Barnabas Jones, B. K. S. Jones, W. H. Pope, C. H. Stephenson, L. D. Stephenson, M. McStephenson, J. P. Goodwin, Thos. Burns, N. J. Whitaker, Richard Koonce, G. W. Atkinson, Jesse Winburn, J. B. Strain, Hugh Campbell, Gray Stevens, J. D. Shaw, and W. E. Pierce.

UNNOTICED.—Has the Raleigh *Sentinel* noticed the proceedings of the Caswell Ratification meeting published in this paper three weeks ago, and which the *Sentinel* was requested to copy? It's none of our business, only that paper may have overlooked it.—*Milton Chronicle.*

The pressure upon our columns forbade the publication, entire, of the proceedings in question, but we made a copious abstract. We also published the remarks in full of the Hon. Bedford Brown. Keep a closer "look-out," friend Evans.

The Sing Sing bird, negro Bradley, is urging the Georgia "Senate," of which he is a member, to arm and organize a militia of negroes and recreant whites, to be let loose upon the Democrats of the State.

THE PEOPLE MOVING!

SAFETY FOR THE NATION IN SEYMOUR AND BLAIR!!

[We continue to receive the manuscript proceedings of meetings in every section of the State, requesting publication in the *Sentinel*—glorious meetings all, evidencing that the people are fully aroused to the dangers which menace the Republic and the State, and justly indignant at the Holden Brownlow policy of war and proscription which has been inaugurated in North Carolina.—The pressure upon our columns is so great, that we are very reluctantly compelled to forego the publication of these proceedings entire, and we trust that our friends will appreciate the *necessity* which forces us to curtail them. We give abstracts of each meeting:]

ORANGE.

At the Democratic and Conservative meeting in this grand old county, on the 28th. ult., Nelson P. Hall, Esq., presided, and Capt. Robert D. Graham and Joseph C. Webb, Jr., acted as Secretaries.

Col. Ed. D. Hall, of New Hanover, the late Conservative candidate for Lieutenant Governor, being present, was introduced to the meeting by Henry K. Nash, Esq., when he addressed it in a speech of great eloquence and ability.

Maj. J. W. Graham, on behalf of a Committee for that purpose, presented a series of admirable resolutions, which were unanimously adopted. Among them were the following:

Resolved, That the spirit of oppression exhibited by the majority of the present Legislature, and their subserviency to Executive dictation, meet our unqualified condemnation, and we solemnly protest against the exercise of powers not delegated by the Constitution, and will use all lawful means to prevent encroachments upon our rights.

Resolved, That the faithful administration of Gov. Jonathan Worth, under the adverse circumstances by which he was surrounded, his zeal for the honor of North Carolina and untiring efforts to promote the best interests of her citizens, as well as his manly and dignified protest on leaving the Executive office, deserve our warmest thanks.

Fifty delegates were appointed to the approaching Democratic State Convention.

RANDOLPH.

We alluded briefly, on yesterday, to the immense and enthusiastic meeting in this County, at Ashboro, and mentioned its officers.

We learn that the Radical County Commissioners refused the meeting and Gov. Worth the use of the Court-House, except for a very limited time, and the crowd adjourned to the Presbyterian Church, which was tendered for the occasion. The audience was so large that the building could not contain half the people and Gov. Worth addressed them from one of the windows. He spoke for two hours, in a very impressive and forcible manner, and was most enthusiastically received.

Among the resolutions adopted on the occasion, was the following:

Resolved, That our former Countyman, ex-Gov. Worth, is entitled to our lasting gratitude for his continued and partially successful efforts in shielding us from the machinations of tyranny; and that our gratitude is heightened by contrasting his protecting care with the military and other tyrannical measures fabricated against the peace and quiet and prosperity of North Carolina, by one of her own sons, since Gov. Worth retired from office.

Twenty delegates were appointed to the Democratic State Convention.

The following gentlemen were appointed an Executive Committee for the County, viz: M. S. Robins, Jesse Walker, Z. F. Rush, J. C. Harris and A. S. Horney.

A Central Seymour and Blair Club was organized, with Samuel Walker, for President, S. S. Jackson, for Vice President, J. M. Hancock for Secretary, and Benj. Moffitt, for Treasurer. Eighty-two members subscribed to the Constitution and By-Laws.

CLEVELAND.

A large number of the citizens of Cleveland assembled at Shelby, on the 1st., and were organized by calling D. D. Latimore to the Chair, and appointing H. F. Schenck and J. H. Gouger, Secretaries.

The meeting was ably addressed by Capt. J. W. Gidney, A. R. Holmsley, Esq., and Maj. H. D. Lee.

Ratification resolutions were adopted and delegates appointed to the State Convention.

A Seymour and Blair Club was organized, and a large number of citizens,—including many negroes,—enrolled their names as members.

FORSYTH.

The citizens of Forsyth met at the Court House, in Winston, on the 1st. Joshua Boner, Esq., presided, and Dr. E. Kerner and A. B. Gorrell were Secretaries. The meeting was addressed by Rev. T. H. Pegram, Thos. J. Wilson, Esq., and Colonel Jos. Masten. A Seymour and Blair Club was organized and twenty five delegates appointed to the Democratic State Convention.

The following excellent resolution, among others, was adopted, viz:

Resolved, That all we ask is a free, fair and impartial election, and if a majority should be against us, we shall feel it our duty to submit and yield obedience to the will of the majority thus expressed.

Speaking of this meeting, the Winston *Sentinel* says:

"It was truly gratifying to witness the deep feeling manifested by the large and respectable audience on the occasion, especially so as to the numerous representatives of that grand old party, who, in former days, had inscribed upon its banners the names of the immortal Clay, Webster, Badger, Morehead, Miller, and many others of our most illustrious citizens, some of whom still survive the wreck and hopeless ruin, we had almost said, of constitutional law and liberty in this our country; and now determined to stand with the Conservative party in a last effort to re-establish the Government upon those principles under which the whole people enjoyed peace and prosperity."

Wanted, by our "Gov." Billy Holden, the Autocrat, a Police or Army force of 9000 men, to keep the old man Downing, of the N. C. Legislature, from sleeping himself to death.—*Milton Chronicle.*

GRANVILLE.

A large number of the citizens of Granville met at Oxford, on the 4th. inst., to ratify the nominations of Seymour and Blair, &c. Dr. Jno. R. Hicks presided, and Messrs. W. H. P. Jenkins and Capt. Elijah Lyon were appointed Secretaries.

A series of excellent resolutions were offered by J. S. Amis, Esq., and unanimously adopted. The following was among the number:

Resolved, That we regard with serious alarm the spirit which recently influenced the Congress of the United States to enact a law to arm one of the political parties of the Southern States against its opponents, and that we condemn, as unconstitutional and unwise, the proposition of the Governor of this State to organize a Police Force upon the same principle: and we declare our convictions that such a policy, persisted in, will lead inevitably to the greatest public calamities.

One hundred delegates were appointed to the State Democratic Convention, and seven to attend such District Convention as may hereafter meet to nominate a candidate for Presidential Elector.

After the resolutions were read, Judge Gilliam was called for, and responded in an earnest speech, setting forth the importance to the cause of constitutional liberty of the pending election for President, and urging united and persistent effort, coupled with a firm purpose not to suffer ourselves to be provoked to rashness. Mr. Amis, Col. Venable, Major Littlejohn, Col. Hargrove and Dr. Gay, in response to calls, also briefly addressed the meeting.

After the adjournment of the meeting, a Central Seymour and Blair Club was organized, with the following officers, viz: President, Wm A Philpott; Vice Presidents, Dr Z M Paschall, Wm B Crews and Jas S Amis; Recording Secretary, J A Williams; Treasurer, Dr L C Taylor; Directors, T B Venable, Dr P W Young, Jno W Hayes, Dr H C Herndon and Jas T Littlejohn, Esq.

Over one hundred good men and true enrolled their names.

CHOWAN.

A large and harmonious meeting in Edenton, on the 3d inst. Dr. R. H. Winborne presided, and Will. Brenan, Esq. was appointed Secretary.

Maj. H. A. Gilliam entertained the meeting with one of those able and well-directed speeches characteristic of that zealous advocates of Constitutional liberty.

Ratification resolutions were adopted; a Seymour and Blair Club organized; and fifty delegates appointed to the State Convention.

An Executive Committee of three gentlemen from each district in the county was appointed.

PERQUIMANS.

We have heretofore briefly noticed the enthusiastic meeting in this county, at Hertford, on the 1st inst.

A Seymour and Blair Club was organized with the following officers, viz: President, T H Gilliam; Vice Presidents, J C Skinner, Samuel Sutton and Nat Newby; James M Mullen, Recording Secretary; Francis Barrow, Corresponding Secretary; Henry W Barber, Treasurer; J C Skinner, Dr D Cox, R B Cox, Jno L Newby and Moses Jackson, Directors.

For the Sentinel.

ORGANIZATION OF A SEYMOUR & BLAIR CLUB FOR PANTHER BRANCH DISTRICT, WAKE COUNTY, N. C.

Pursuant to previous notice, the Conservatives of Panther Branch District met at Mrs. Banks', on Saturday, Aug. 1st., 1868, for the purpose of organizing a Seymour and Blair Club.

There being a full turn out of people assembled, the meeting was called to order by Dr. A. E. Smith, who addressed the Club with his usual ability and explained the object of the meeting.

On motion, J. J. L. McCullers was requested to take the Chair, and H. B. Jordan and W. H. Rand to act as tempoary Secretaries.

On motion of C. E. McCullers, a Committee of five were appointed to draft a Constitution and by-laws for the Club, and the following gentlemen were appointed for that purpose: Dr. A. E. Smith, B. H. Jewell, M. McC. Stephenson, W. A. Myatt and Simon Smith.

On motion of L. Banks, Esq., a Committee of five were appointed to select permanent officers for the Club, and the following were appointed as a Committee, viz: W. D. Crowder, S. S. Turner, J. W. Jones, Lyman Banks and A. T. Stevens.

The Committee on permanent officers reported as follows: For President, J. J. L. McCullers; Vice Presidents, J. J. Young, Jonathan Smith, Dr. J. R. Jones: Recording Secretary, W. H. Rand; Corresponding Secretary, Henry B. Jordan; Treasurer, Henry Stevens; Directors, James T. Leach, Jr., Dr. A. E. Smith, C. E. McCullers, B. F. Walton and H. B. Jordan.

Which appointments, on motion, were unanimously adopted by the Club.

The Committee on Constitution and Resolutions reported that for Seymour and Blair Clubs published in the *Sentinel*, and submitted the following resolutions:

Resolved, That we declare our unaltering devotion to the great principles of civil liberty contained in the Constitution of the United States, and our eternal hostility to the many usurpations of Congress, by which that Constitution has been disregarded and trampled under foot.

Resolved, That we fully endorse the platform of principles recently adopted by the great National Democratic Convention assembled in the City of New York, and that we pledge to the nominees of that Convention, Horatio Seymour, of New York, and Francis P. Blair, of Missouri, our united and undivided support.

Resolved, That we will use every lawful effort in our power to re-establish a truly republican State government, in the place of the one now forced upon us by Congress.

Which, on motion, were unanimously adopted.

On motion, those desiring to become members of the Club proceeded to sign the Constitution, and seventy five names were enrolled.

Information being given that there were some colored Conservatives present, who desired to become members, on motion they were allowed to sign the Constitution.

Upon motion, the Club adjourned, with three cheers for Seymour and Blair.

NEW ORLEANS, Aug. 7, M.

An immense crowd gathered at Lafayette Square, last night, to hear Willie Rollins, the colored Democrat, who has lately become famous.

One speaker had addressed the crowd, and Rollins had just mounted for the same purpose when the platform gave way, falling sidelong into the crowd. Four policemen and two others were injured—the two latter seriously. None killed.

Our Midnight Dispatches.

FROM WASHINGTON.

WASHINGTON, Aug. 7, P. M.

Browning, McCulloch, Schofield, Evarts, and Mr. Hunter, as Seward's proxy, were in the Cabinet meeting to-day. A prolonged session. The Revenue Commissionership and troops for Louisiana were considered. Results not yet transpired.

It is stated that the Secretary of War, by order of the President will issue a circular order covering the entire ground of a State Government requiring Government troops, and this will dispose of all such requests as that of Governor Warmouth.

The Colored Treasury Messenger, temporarily in charge of Chief Justice Chase's house, inveigled a colored girl into the house and outraged her. He is held to bail.

FROM WASHINGTON—MR. EVARTS.

WASHINGTON, Aug. 7, P. M.

The impression, almost amounting to a certainty, exists, that Mr. Evarts sustains the President in the position that the Revenue Commissionership is vacant.

FROM ALABAMA—THE LEGISLATURE TO CHOOSE ELECTORS.

MONTGOMERY, August 7, P. M.

The House, to-day, by a vote of 73 to 13, passed the Senate bill removing disabilities from all persons not allowed to vote by the State Constitution.

In the Senate, a bill was passed, by a vote of 44 to 11 which neutralizes this, by taking away from the people the right to vote for Presidential electors and giving it to the Legislature. It was sent to the House immediately, where it was made the special order for to-morrow at 10 o'clock. The bill will undoubtedly pass.

Dispatches from the recently elected Senators were received to-day, advising this course. This secures the vote of Alabama for Grant.

FROM NEW ORLEANS.

NEW ORLEANS, Aug. 7, P. M.

Warmouth's letter to the President has completely removed the good feeling on the part of the Conservatives, which his speech to the crowd on Canal Street created. In the Senate, to-day, Senator Jewell offered a resolution that a Committee of three be appointed to wait on the Governor and ascertain from him the times and places of the one hundred and fifty murders, which, he says, have been committed in the last six weeks; also to obtain the letter of District Attorney Hudspeth, alluded to, which charges indiscriminate murder of men, women and children in the eighth Judicial District. Jewell followed this resolution with an intensely bitter speech upon the action of the Governor.

Jewell's resolution was referred to a Joint Committee on the condition of civil affairs, where it will probably die.

FROM BOSTON—THE YELLOW FEVER.

BOSTON, Aug. 7, P. M.

The *Laura*, from *Cienfuegos*, is at anchor at quarantine, with the yellow fever on board. The captain, his wife and two seamen died on the passage, and the mate is still sick.

FROM NEBRASKA—DEMOCRATIC CONVENTION.

OMAHA, Aug. 7, P. M.

The Democratic Convention has nominated James R. Porter, for Governor. The Resolutions denounce Congress for imposing negro suffrage on Nebraska.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and, if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, or the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that a stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
